Our Mission

**The Mission of the
Mathews Community Foundation
is to Improve the Quality of Life
for Those Living and Working in
Mathews.**

LETTER FROM THE CHAIRMAN

In 2020, our Annual Report was entitled “Facing Challenges Together”. All of us had some difficulties during 2020 and beyond. 2021 was not the end of the pandemic but late in the year, we could begin to see the proverbial end of the tunnel.

In December, even with cold and unpleasant weather, we began to come out, socialize a bit more and feel like, if we squinted, we could almost see the sunlight in the distance. Many were able to celebrate Christmas together after almost 2 years. It was like a new beginning, and we were thankful for even the small steps we were taking to emerge from all the darkness that had surrounded us. We finally had that “light” we were all seeking.

At the Mathews Community Foundation we not only celebrated that emergence from the dark clouds but also the bittersweet retirement of our beloved Margaret Nost, who has been the face of our foundation for nearly twenty years. She took us from a small, rural foundation to become the second largest affiliate of the Richmond Community Foundation with assets of nearly \$19 million dollars. Thank you, Margaret for your contributions, your can-do attitude and your leadership. Enjoy your well-deserved retirement.

In 2021 we again focused our grants on areas where we could make the greatest impact on those whose lives were turned upside down by Covid. Grants provided support to Hands Across Mathews with additional emergency funding to feed hungry

families, they provided more funds to Social Services to allow for more funding to the YMCA Child Care program (so parents could go back to work again) and grants increased funding to the Mathews County Public Schools to supplement their food budgets for additional meals to children. These are just a few of the more than sixty grants provided to our community.

Through the generosity of our donors and Donor Advised Funds, we distributed over \$561,000 in grants, emergency funding and scholarships.

In this new beginning, the Mathews Community Foundation is now focused on doing even more to meet and exceed our mission – improving the quality of life for those living and working in Mathews County.

Our Board of Directors is now searching for a county-wide initiative that will literally change lives in this place we call home. It may be eradicating homelessness (there were almost 20 cases last year), reducing or

eliminating poverty or even more childcare services so more parents can earn a better living, or another need that is yet to be discovered.

We are committed to doing extraordinary things in 2022. Stay tuned. We are grateful for everyone who continues to support our community. We can make a difference. Let’s all embrace new opportunities. We are just beginning. Thank You!

Ron Lambert, Chairman

2021 FINANCIAL SUMMARY

Total Contributions:	\$716,231
Total Grants:	\$561,900
Total Net Assets:	\$16,763,701

INVESTMENTS:

In 2020, the MCF advisory board determined that a direct relationship with the financial advisor to the Mathews Endowment Fund and the Fund for Mathews (unrestricted annual disbursement) would be beneficial. These are the two funds that sustain the awards given out through the annual competitive grant program. After careful consideration, Mason Investment Advisory Services, based in Reston, was selected. Mason is a highly regarded institutional investment advisor with the majority of its AUM residing in community foundation funds across the country. The transition occurred in late January, 2021. The MCF Finance Committee and the Community Foundation for a greater Richmond staff meet quarterly with Mason. Annualized 1,5, and 10 year returns, net of fees for the portfolio in which the Mathews Endowment fund is invested were 19.95%, 11.16%, and 9.98% as of 12/31/2021.

There continue to be several options offered through the CF of a greater Richmond for Donor Advised Funds and trusts: primarily the University of Richmond Spider Management fund (Spider), but also a menu of Vanguard index funds , and an ESG option. The annualized 1,5 and 10 year Spider returns as of 12/31/2021 were 20.57%, 12.98%,and 10.26%. More detailed description of these products is available on the CF of a greater Richmond and Mathews CF Websites, or by discussion with the Affiliate staff.

ASSETS:

The Foundation’s assets include charitable funds and trusts established by individuals and organizations. Each fund is unique to that donor, and the donor has the assurance that the charitable purpose of the fund will be carried out by the Mathews Community Foundation.

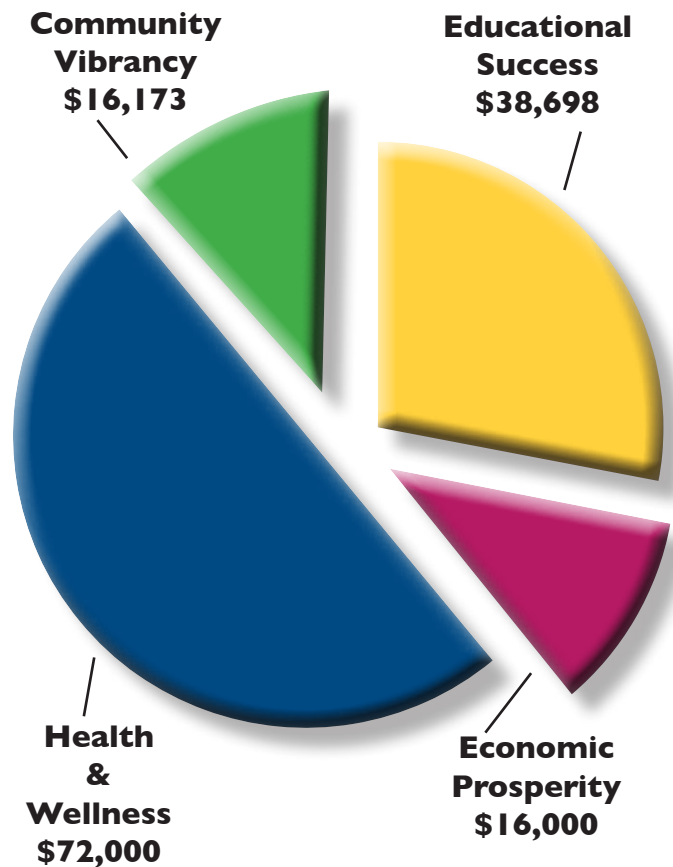

MCF’s Advisory Board oversees grantmaking from numerous funds, including the *Mathews Endowment Fund* and the *Fund for Mathews*. Unrestricted gifts to the Foundation are invested and used to provide grant funding to local nonprofits. These gifts also allow the Board to respond to unexpected and pressing needs that can put a severe strain on our vital non-profit organizations.

GRANTS:

The Mathews Community Foundation Advisory Board is pleased to report that in 2021, we awarded \$142,871 in Community Impact Grants to more than 20 nonprofits. Our Grants Committee spends many hours each year reading, discussing and vetting each and every grant request that we receive so they can advise our full board on how to maximize every dollar to make the greatest impact in our community.

Additionally, other grants and scholarships awarded totaled \$419,029 for an overall total of \$561,900 distributed funds with a vast majority supporting local organizations that serve Mathews residents. A listing of donor-advised and all other funds (component funds) begins on page 14 of this report.

2021 COMMUNITY IMPACT GRANTS

COMPONENT FUNDS

Funds generally fall into two main categories, as follows:

1. Mathews Community Foundation Endowment Fund, Fund for Mathews and Mathews Community Foundation Board Designated Fund

These unrestricted funds support charitable purposes as determined by the Advisory Board of MCF and comprise by far the largest number of donors. These funds support the work of the Foundation, including the flexibility to meet changing needs and respond to opportunities in the community. Contributions to these funds have increased significantly over the years.

2. Mathews Community Foundation Component Funds

These funds are established by donors to benefit charitable purposes of their choosing, including scholarships. These funds can be very broad in scope or support one or more specific nonprofits or areas of interest. Non-profit organizations can create endowment funds to provide perpetual income.

We made every effort to ensure that all 2020 donors are included in the listings and that all names appear as the donor(s) requested. However, mistakes can occur. If you see any errors, please call/email our office so that we may correct our records.

LEGACY SOCIETY

Leaving a legacy that will live on for future generations is important for many people. The Legacy Society was established in 2005 to recognize donors who have included the Mathews Community Foundation in their estate plans, either through a planned gift or by naming the Foundation as a beneficiary in their wills.
